FY13 Highlights

FY13 was an encouraging result

- Underlying EBIT up 5.1% to \$34.4M - top end of guidance range
- Strong cash control continues. Free cash flow \$54.2M (- \$2.3M FY12)
- Net debt significantly reduced to \$89.1M (\$143.3M FY12) - ahead of guidance, 1.2x Net Debt to EBITDA #
- Major Heatset customer contracts secured, market share gains with Tier 1 & 2 customers
- New Zealand, Distribution AU and Digital all recorded improved EBIT results
- Print AU EBIT fell as transformation savings were offset by lower volumes and prices

Transformation underway and delivering benefits

- NZ transformation successfully completed NZD \$19M annualised savings
- Australia Phase 2 completed– cost \$27M, annualised savings \$37.1M with \$13.6M in FY13
- \$74.8M of assets and properties sold, four sites leased back
- Chullora site closed and Digital sites being relocated

Focus on building a consistent, sustainable and more profitable PMP

- Leading print and distribution company in Australasia – back to core, simplified, integrated and national
- Challenging market conditions and competitive activity, weak consumer spending, industry overcapacity
- Growth drivers: catalogues – resilient and relevant to retailers, cross sell, market share gains, innovation
- Phase 3 Transformation under review
- Market evolving to integrated campaigns using online and traditional media offerings, underpinning demand for PMP's products and services
- Well positioned for industry rationalisation

“PMP is a leader in the print and distribution industry. The strategy to transform the company into a leaner, stronger and more competitive entity is on track and delivering the anticipated results.”
